GSXR 750 K4/5

Ideal MGP Bike!!!

Purchased new nov 05 for racing purposes only.

Built for pure road racing in super stock trim.

Engine is standard, covering 1,700 miles.

500 miles were running in and setting up on dyno.

Oil and filter changed very regularly.

This bike has just competed in the Centenary TT with a 6 lap average of 113mph.

Bike is equipped with:-

Maxton suspension, front and rear.

GPR damper.

NRC engine cover.

Power commander 3.

Full Hindle Race Exhaust.

Valter Moto Rearsets.

Renthal Sprockets.

Crash Protectors.

Spares include:-

Front and rear wheels with discs and wet tyres.

Rear wheel.

Sprockets.

Pads.

2 Screens.

Rear wheel spindle and nut.

Engine casing.

Handle bars.

Lever.

Fork Seals.

Plugs.

This bike has never been crashed.

5,500 ono, would consider part ex enduro, road reg bike, medium size van!!!
