Sorry Mitch but I don't seem to have received it.

However, I complete list would be rather long, however they cover the Irish Road Races from 1995 till 2003 when I was competing, plus the Manx GP & Southern 100 and the two Grand Prix ones that I attended.

The Irish races were in order:

Tandragee 100
Dundrod 150 (as it was)
Skerries
Fore
Kells
Temple 100 (was it was)
Mid-Antrim
Ulster GP (not all years)
Carrowdore (as it was)
Killalane
Dundalk

There are also one or two others such as Athea and Cookstown.

There are not programmes for every race in every season because I missed a few rounds due to injuries, but most are there.

I will also chuck in a lot of programmes from North Gloucester Club, BMCRC, Mallory Park, Oulton Park & New Era Clubs from when I used to race in the UK if you wish.

They are currently boxed as I am moving to Spain shortly, so a quick decision will be necessary.

Thanks

Well I Would Be Interested In;

Tandragee 100
Dundrod 150
Temple 100
Mid-Antrim
Ulster GP
Carrowdore
Cookstown

I Already Have Some, So Would It Be Possible For You To Let Me Know Which Years' Programmes You Have From These Races And The Prices You Are Willing To Seel Them For, And I Will Let You Know Which Ones I Would. Is That OK?

Cheers

Joe, I will post the UGP badges to you if you give me your address. No charge, because of the work you do for two-stroke racing.

Les Hart

Hi Joey D,

I want to get rid of all the programmes in bulk, say â,~15 pus the cost of postage. I will include any non-UGP badges f.o.c. If you don't live in Ireland however, postage may be quite expensive.

Regards
