A good start to the season for team VRS Performance at Cadwell park. Craig was out on the CBR 600 Honda taking one win and one third place in the 600 Supersport races, also posting the fastest lap off the day on the little 600. Craig also took a 2nd place finish on the Honda Fire Blade in the first open race then tried the ZX10 out in the last open race finishing 3rd overall and first in his class wich is pretty good as it's only his first time with his leg over the bike. Good on you lads, can't wait till join in with the fun, keep her lit. B)
