
Private Messages?

Posted by rracergrl - 2008/03/25 14:56

Am I being totally blonde or have they disappeared?

We do not appear to be having any problems with our PM's. If you access your PM's from the member menu, available on the front page when you are logged in, you should be able to access them there.

The new PM system is on the way, apologies for the delay but it will be well worth the wait.

I dont see the list for me to find my messages admin, it used to be on the left hand side of the page now its not :unsure:

Never mind I see them now :)
