One of the chippers in the town does a 'wurly burger' according to one of their leaflets that they dropped in to the house! so out with the google and it turns out to be a batter burger in a bun :angry:

I know if I phoned them up and asked 'what the feck is a wurly burger?' I'm sure the answer would be €4 :lol:

Ohhhhh Racergirl, that's harsh that is! Our Noddy goes the length and breadth, I know cause he always eats all my butties!! :woohoo: ONLY KIDDING OF COURSE !!

I reckon are Noddy has a trick or two up his sleeve
