Excellent pics.

Was good to finally meet you on Sat.

Steven

Cheers Steven, and great to meet up with you also:)

Mind, I was expecting someone a little older:)

great pics Kev B)

what camera and lens do you use?

Cheers SwideRR,

I use a Nikon D50, and the lens here was a Nikon 70-300 AF 1:4-5.6G:)

Nothing too special, but good enough for me:laugh:
