
NW200 - a local home winner ?

Posted by Savo - 2008/05/14 18:57

Will it be total overseas domination at the NW200 ? Will a home boy take a win are grace the lower podium steps ?

Farquhar, Seeley, Archibald, Robert Dunlop, William Dunlop, Michael Dunlop, Davy Morgan.....will thses lads be able to "mix it" with all these big British Championship teams with big factory backing this weekend ?
